Submitted to Student Senate on: 30 October 2018

**Whereas:** The Bylaws currently state that Senators At-Large, once elected can only serve until the end of the semester in which they are elected;

**Whereas:** We will be electing a Senator At-Large and the Bylaws would only allow them to serve until the end of this semester;

**Therefore be it resolved:** Senators At-Large will be elected to serve for the remainder of the academic year.

## **Bylaw Amendment**

**610.F.** The following requirements shall exist for any vacancies:

1. If the vacancy is from one of the On-Campus Senators, the nominee(s) must reside in that district.
2. If the vacancy is from one of the Off-Campus Senators, the nominee(s) must reside off campus.
3. If the vacancy is from the Resident Assistant seat or the commuter seat, the nominee(s) must reside in each respective group.
4. If the vacancy is from one of the Academic Senators, the nominee(s) must have a major in that division.
5. If any seat is left open after the Speaker has brought nominees to fill the vacancy, the requirements for that specific seat will be dropped, and any undergraduate student enrolled at Miami University's Oxford Campus who does not violate the Conflict of Interest rules in Section 503 can run for that position. The Speaker will again solicit applicants and present, within two weeks of the previous attempt to fill the vacancy, no more than three nominees to the Student Senate to fill the vacancy. The Senator will then be titled "Senator At-Large."

~~6. "Senators At-Large" serve only until the end of the semester in which they are elected.~~
